MARY'S CALL TO COURAGE

AN EXAMPLE OF STRENGTH FROM OUR HOLY MOTHER

YOU ARE BEING CALLED TO JOIN US FOR A THREE-DAY RETREAT FOR CATHOLIC WOMEN

TRUE HOLINESS IS WHEN YOU CAN LOVE WITHOUT EFFORT.

Women today face serious opposition living out their lives holding true to Catholic teaching, moral values, and even authentic femininity. We need to stand courageously against the forces of evil, but what does it mean to be courageous? Courage is having the fortitude to stand up for what is right, in the face of overwhelming opposition. No woman in history embodies this courage more than the Blessed Virgin Mary.

Mary's fiat took more than strong religious upbringing; it took more than a deep love for God...it took courage. It is that same courage that we need to reject the immense pressures of today's society that seek to turn us away from authentic Catholic womanhood.

We can accomplish anything we want in this world and do it without giving up your authentic Catholic identity as a beloved daughter of God the Father. You just need the courage to stand against, the voices of the world that tell you to do it their way, rather than God's way. You can change the world, by answering Mary's Call to Courage.

"From Mary we learn to trust, even when all hope is gone."
— St. John Paul II
